

CAPABILITY STATEMENT

E.R. PRECISION OPTICAL

"ONCE YOU LOOK THROUGH OUR OPTICS, YOUR CHOICE WILL BE CRYSTAL CLEAR"

805 W. CENTRAL BLVD, ORLANDO, FLORIDA 32805

TEL 407-292-5395

FAX 407-292-7984

WEB: www.eroptics.com

Primary Contact: Jason Hess

Phone: 407-292-5395

Email: jhess@eroptics.com

CORE COMPETENCIES

- ★ Precision optics manufacturer with expertise in lenses & filters for use in targeting and sighting applications
- ★ Specialization in large optical windows for use on all military vehicles; airplanes, helicopters, tanks & ships
- ★ Only U.S. based facility growing infrared materials (both germanium and silicon crystals) for the DoD
- ★ Qualified for demilitarization of military sighting & targeting components
- ★ NRC licensed for removal and disposal of hazardous materials (Thorium coatings)
- ★ Only U.S. facility to have a germanium reclaim/recycling program
 - ⊕ We buy old, obsolete, damaged germanium windows & lenses
 - ⊕ Recycle old material to new crystals and blanks
 - ⊕ Produces new IR optics, windows, lenses & filters at reduced cost for current DoD applications
- ★ The lowest cost supplier for Germanium materials and parts worldwide

DIFFERENTIATORS

- ⊕ SBA HUBZone certification
- ⊕ ISO 9001:2015 certified
- ⊕ ITAR certified
- ⊕ Shortest lead-times in the industry
- ⊕ Full germanium recycling capabilities
- ⊕ Hazmat Removal & Demilitarization certified

ADDITIONAL COMPANY DATA

ERPOC's facility includes

Specialty materials growth division
Advanced state-of-the-art optical manufacturing & test equipment
Licensed demilitarization center
Additional capacity/rapid delivery
